S.B. No. 2265

A BILL TO BE ENTITLED

AN ACT

1
2 relating to the Gulf Coast Waste Disposal Authority and expanding
3 the territory and powers of the authority; authorizing fees and the
4 issuance of bonds.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Section 1.01, Chapter 409, Acts of the 61st
7 Legislature, Regular Session, 1969, is amended to read as follows:

8 Sec. 1.01. PURPOSE. The purpose of this Act is to:

9 (1) establish an instrumentality for developing and
10 effectuating for the upper Gulf Coast region in this state
11 [Chambers, Galveston, and Harris Counties] a regional water quality
12 management program including provision of waste disposal and water
13 systems and regulation of disposal of wastes; and
14 (2) establish an instrumentality for operating and
15 maintaining a coastal barrier constructed with federal funds to
16 protect the upper Gulf Coast region in this state from
17 hurricane-induced storm surges.

18 SECTION 2. Section 1.02, Chapter 409, Acts of the 61st
19 Legislature, Regular Session, 1969, is amended to read as follows:

20 Sec. 1.02. FINDINGS AND DECLARATION OF POLICY. The
21 legislature finds ~~[It is hereby found and declared]~~ that:

22 (1) the quality of waters in the upper Gulf Coast
23 region in this state ~~[Chambers, Galveston, and Harris Counties]~~ is
24 materially affected by the disposal of wastes ~~[throughout those~~

1 ~~counties~~];

2 (2) ~~[that]~~ regional approaches to studying water
3 pollution in that region ~~[these counties]~~, ~~[to]~~ planning corrective
4 and preventive measures, ~~[to]~~ providing coordinated facilities for
5 waste disposal, and ~~[to]~~ regulating waste disposal would be far
6 more effective than efforts on a county-wide, city-wide, or smaller
7 scale;

8 (3) ~~[that]~~ solid wastes, as well as other kinds of
9 waste, may impair water quality by seepage, drainage, and
10 otherwise;

11 (4) ~~[that]~~ creation of the Gulf Coast Waste Disposal
12 Authority would advance the established policy of the state to
13 maintain the quality of the waters in the state consistent with the
14 public health and public enjoyment thereof, the propagation and
15 protection of terrestrial and aquatic life, the operation of
16 existing industries, and the economic development of the state;

17 (5) ~~[and that]~~ impending shortage of water in the
18 district for beneficial uses requires that all reasonable measures
19 be taken to prevent and abate water pollution, and to reclaim
20 polluted water for beneficial uses; and

21 (6) the territory in the upper Gulf Coast region in
22 this state is vulnerable to damage from hurricane-induced storm
23 surges and that granting the Gulf Coast Waste Disposal Authority
24 the power to operate and maintain a coastal barrier constructed
25 with federal funds would advance the public purpose of protecting
26 the upper Gulf Coast region in this state from hurricane-induced
27 storm surges.

S.B. No. 2265

1 SECTION 3. Section 1.03(a), Chapter 409, Acts of the 61st
2 Legislature, Regular Session, 1969, is amended by adding

4 (24) "Coastal spine" means a coastal barrier to
5 protect the upper Gulf Coast region in this state from
6 hurricane-induced storm surges.

7 SECTION 4. Section 2.02, Chapter 409, Acts of the 61st
8 Legislature, Regular Session, 1969, is amended to read as follows:

15 section have been met, the authority's territory consists of

17 Counties.

18 (c) The Legislature declares that all the area included in
19 the authority's territory [district] will be benefited by the

21 (2) the authority determines that the authority's
